

THE EVANGELISM COMMITTEE

We are pleased to announce the Evangelism Committee and its goal of growing the church, spreading the Lord's message of love, and exploring new creative ways to present St. Paul's Lutheran Church to the greater community. To include: cable television and radio advertising, promotional handouts, and a St. Paul's version of the Welcome Wagon, to mention only a few.

To better understand and meet the changing needs of our parishioners, we will conduct surveys from time to time before Sunday services, via a link on the church website, a printed questionnaire, or, in some instances, by a show of hands.

Do you enjoy brainstorming? Can you envision Sunday services that fill to standing room only? Then we have a seat for you at our Evangelism Committee table!

Pastor Scott Cady, Chair Robin Potwora, Sandy Neri, Irene, and Tony.
