# A Word from Pastor Cady

Dear Members and Friends of St. Paul's

November begins with All Saints' Sunday and concludes with Christ the King Sunday. These two festivals are linked by the promise of the Gospel.

In traditions, like ours, that sprung from the Protestant Reformation in the 1500s, All Saints' Day is not reserved for those who have been recognized as "official" saints by the Roman Catholic Church. It is a time to remember all the baptized who have moved from life on earth in the flesh to the spiritual and eternal life in Christ. Christians alive and engaged in the struggle against sin and evil are called the "Church Militant." Christians who have passed to their eternal and heavenly peace are called the "Church Triumphant."

We celebrate the faithful lives of those who have gone before, and, even as we miss them and mourn their passing, we rejoice that the promise of eternal life given in Baptism has come to its fulfillment for them. A colleague of mine who served in the US Virgin Islands told me that every funeral in the church included a procession from the church building to the cemetery during which the whole congregation sang Easter hymns.

Christ the King is our annual festival focusing on the unending reign of Christ as "King of kings" and "Lord of lords." It reminds us that the humble and suffering earthly Jesus, upon his Ascension, is restored to his proper role as ruler over all peoples and nations. It is because we believe this that we put so much trust in his words of comfort to his followers, especially those who are, themselves, suffering. "I will come again and take you to myself so that where I am you may be also." His words are not pious wishes, but a declaration of a divine truth. We are his and he will never abandon us.

In between these two traditional Church festivals is our national Day of Thanksgiving. We are all familiar with the ways most American families gather and call to mind their gratitude for all the blessings we enjoy. We very often give heartfelt thanks for our freedom, both political and religious, our prosperity, our health, our families, and our communities. While this is not a Church holiday in an official sense, Christians easily bring to it a sense of their gratitude to our God for all gifts we have received at God's hand. May I suggest that this Thanksgiving we take the two festivals mentioned above and bring to our Thanksgiving tables our gratitude for the lives of those who have lived in faith and now live in Christ, and for Christ himself for all the love and grace that has come to us through him.

This year the Ecumenical Thanksgiving Worship Service in Torrington will be at Center Congregational Church on Tuesday evening, November 21st. I hope many of you will attend. All of us are enriched by these opportunities for services that deepen our appreciation of what we Christians have in common and can celebrate together.

Most of the above has been directed at Christians. Some still wonder about God's relationship to those who do not share our faith. Here is my thought. God's grace is unimaginably vast and God's purpose is to build a "new creation." I'm confident that God is fully able to accomplish anything that will achieve this goal. We are God's family and have the promise of salvation. But to imagine that God cannot reach beyond the boundaries of the Church to redeem others seems to me to be incompatible with a generous God who intends to be a source of blessing for all people. Even as we trust the specific promise given by Christ to the Church, we have reason to also trust that as God looks into the hearts of everyone else, that same holy desire to redeem and save will be at work.

A blessed November to you all. In Christ's service,

Pastor Scott Cady

## Around the church

We would love to have some more women of the congregation join our Altar Guild teams. Right now, we have only 4 teams that rotate setting up the altar for communion every week. The more women we have the fewer weeks we would have to serve. Liz Falls has recently joined our team and is currently training with Bonnie and me. If you are interested, please talk to me or any other team member. They could explain what we do.

Current teams: Lisa Bodnar and Renate Higgins, Sandy Heinz and Karen Trippodi, Dana O'Brien and Angela DiStefano, Bonnie Schaff and me, and Liz Falls.

Please consider joining our team.

God Bless,  
Jeanette Richard

Make a joyful noise unto the Lord! Come join St. Paul's choir. We rehearse at 9 a.m. on Sunday morning in the choir room across from the parlor. It is not necessary to be able to read music. Each part to every piece is recorded individually and emailed to every choir member to aid in learning. If you like to sing, please give us a try.

**Anyone interested in serving on the St. Paul's Soup Kitchen team** or to be a substitute to please contact Jeanette Richard at [jeanetterichard@hotmail.com](mailto:jeanetterichard@hotmail.com) or 860-489-7140. The teams serve the second Sunday of every month from 10:30 to 1:30 at the Torrington Community Soup Kitchen which is located in the basement of Trinity Church. Entrance is on Maiden Lane. We have two teams which serve either on the even months or odd months, each member only serves 6 times a year. The only requirement is for your commitment to serve on your team's specified date. A list of substitutes will be provided for you to find a sub if you cannot make the Sunday you are assigned. It is important that we have 4 - 5 people serving each time. It is a great ministry to be a part of, I promise when your shift is over you will walk away thankful for your blessings and knowing you helped your neighbors in need.

### FIRST SUNDAY IN ADVENT FAMILY WORKSHOP

On Sunday, December 3<sup>rd</sup> following 10am worship, all members, including Sunday School and Confirmation students, are invited to the Fellowship Hall for an Advent Wreath making workshop. Parents are asked to accompany their children that day. We are looking for some very small pinecones to use on the wreaths. If you have access to any, please bring them to church so we can prepare them for use. (We'll be using artificial greenery so they can be used for multiple years. Please mark your calendar and plan to stay after church that day and make a family Advent wreath. There will a sign-up sheet in the Narthex so we know how many families and individuals to expect that day. It's sure to be a fun time for all! Please bring some cookies to share for a snack if you are able. We anticipate this project taking only about an hour so you will be home for lunch!

### Hat & Mitten Tree

The Hat and Mitten Tree for donations of store bought or handmade new hats, scarves, gloves, mittens, slippers, and socks will be in place soon. The tree will be placed in memory of Gladys Gasser and Ludwig Mueller. Gladys oversaw the project for many years and Louie placed the tree each year. Since his death, his family places the tree. I have heard from some of you that you've been busy making mittens, hats, etc. so hopefully we'll be able to keep many heads and hands warm this winter with your generosity.

# Thank you!!

Thank you just doesn't seem adequate for the love I felt on my birthday a couple of weeks ago. I was completely surprised by everything. The guests, the amazing luncheon, the gifts; I am still in awe of everything done for me. I had a hard time at the thought of this milestone, but your love and support made the day much easier! My family and I had just celebrated the night before and I was stunned to see them sitting at the table in the fellowship hall. I am truly blessed by the friendships I have here at church. I give God the glory for all He has done for me. I feel like my story can be likened to the verse from Matthew 7: 7-8 *"Ask, and it will be given to you; seek, and you will find; knock, and it will be opened to you. For everyone who asks receives, and the one who seeks finds, and to the one who knocks it will be opened."*

Never in a million years did I think my life would evolve the way it has. As a kid I feel as though I had a pretty strong faith. I began helping in Sunday School at the ripe old age of 14! It was just something I knew I wanted to do. In fact, I always knew I wanted to be a teacher; I went to college and got my degree in elementary education with early childhood ed and speech and theater as minors. I'm not going to bore you with a lot of details but after school things didn't go exactly as I had planned! Yes, I did a fair amount of teaching both at church and in public schools but then illness struck. Referring to the verse, "knock and it will be opened," was an answer to prayer. I bargained with God every day. Help get me better and I'll follow you.

I've been afforded so many opportunities that I never could have imagined. My faith has grown stronger, the amazing friends I have I cherish, and the things I'm able to do make my life complete. Thank you from the bottom of my heart for everything you've done and continue to do for me. I am blessed.

With love,  
Paula

## **FELLOWSHIP DINNER THANKS**

Thanks to all who supported the Fall Fellowship Dinner in mid-October. The popular pork dinner was enjoyed by 68 folks who ate in and the 46 folks who did take-out. The committee usually uses their tickets as take-outs for the following day since there isn't time to sit and eat. Proceeds of the dinner are earmarked for the general fund. I am pleased to report that our profit was enhanced by a Thrivent Action Team Grant of \$250 (secured by Wendy Iannelli) as well as several committee donations through gift cards and cash. At this time, I am happy to report that just over \$1,400 was donated toward our deficit budget.

The Fellowship Committee is a very small committee made up of hearty volunteers but at the same time we are an aging committee (we range in age from late sixties to mid-seventies) as well. We need more help from some younger members. We also encourage more support from the congregation. We have a faithful group from Colebrook who always supports the dinner as well as members of the Sullivan Senior Center, Tarringford West Apartments, and other faithful friends. Typically, only about one half of the dinners sold are from actual members of St. Paul's. Please consider supporting us in April when we have our Spring Dinner.

The next project for the committee is the Souper Bowl of Caring Grinder, Chef Salad, and Chili sale in February. Watch for order forms after the first of the year.

# Women of the ELCA

## St. Paul's Women of the ELCA November 20<sup>th</sup>

St. Paul's Women will meet on Monday, November 20<sup>th</sup> for their monthly meeting at 7:00pm. All women are invited and encouraged to attend. A brief business meeting will take place and then we will make an angel craft. It will be a fun evening creating! Hostesses for the November include: Mary Grening, Cynthia Rose, and Leah Seleman. All women attending are encouraged to bring fresh and/or non-perishable baskets for families in need within our congregation. We will be preparing three baskets. Please be as generous as you can so others can enjoy a festive meal!

Also, on the agenda will be plans for the Chrismon Tree decorating, Christmas/Advent party, and Yankee Swap set for December 4<sup>th</sup>, beginning at 6:30pm. Hostesses for the party are Pam Ewing, Paula Rosenbeck, and June Seiser. Please come and bring a friend!

Friday, December 8<sup>th</sup> – Fruit Basket Assembly & Delivery more details to follow.

## Angel Project

This will be St. Paul's 37<sup>th</sup> year of the Angel Project, my 36<sup>th</sup> in working closely with the annual affair! For those new to St. Paul's, or for those who need of a refresher ..., the Angel Project helps families in need within our congregation as well as our nursing home patients and families who have lost a member of their immediate family in the past year. At this point in time, I need to hear from families who believe they could use some help this Christmas season. We ask that families who request help not go through other social service agencies also.

Please see Paula Rosenbeck or Pastor Cady as soon as possible. Names are kept in confidence. Again this year, we will work in conjunction with the Puppitude Scrip program, whereby members can purchase gift cards to major retailers through Puppitude, thereby supporting St. Paul's and also have easy access to shopping. Gift selections will be out before Thanksgiving and are due back to St. Paul's by Sunday, December 10<sup>th</sup>.

# Garden of Memories

"Just before the death of flowers and before they are covered in snow. There comes a festival season when nature is all aglow." Author Unknown

In the fall the trees and flowers that are hardy are definitely aglow! Come have a minute of peace in the garden before the snow flies!

God Bless,

**Garden of Memories Committee**

We have been busy these past couple of months getting to know each other, learning new routines, practicing kindness and best of all having fun! We are happy to report that we have filled the school readiness classroom with 14 students. Other classrooms are near capacity but could use a few more students. Keep spreading the good news about Hilltop.

We have been outside most of the days and using the outdoor classroom to the max! We received a grant to purchase new outdoor equipment for the classroom, we will be adding a reading “nook”, a sensory table, a painting easel, and a storage bench.

We have also received the grant from homeland security to upgrade our security camera system at Hilltop. I am working with the contractor on the timeline but hopeful it will be in within the next few months.

We picked pumpkins from our own “field” this year! Pumpkins were purchased from Ruwet farm, I along with my husband picked them up and brought them over to Hilltop. We celebrated our “Fall season with pajama days and a story book character day. It is always fun to dress up!

We will report on our NAEYC renewal visit next month.

Thank you for your support with our Fall spice sale fundraiser. The proceeds from this sale will help to purchase supplies for our classrooms. There is still time to purchase tickets for “Paint Night” another fundraiser this fall the deadline is November 5<sup>th</sup>.

Hilltop will bring back the family “feast” this November. Our families and students will enjoy a meal together. Families will be asked to help with donations and preparations. We look forward to this opportunity to be together.

Barbara J. Mazzei

### **SUNDAY SCHOOL PAGEANT**

**Sunday, December 17<sup>th</sup> during 10am Worship**

It's hard to believe that we are thinking of Christmas, but it is always helpful to be able to plan ahead! The Advent and Christmas season is a bit unusual this year since Christmas Eve is also the fourth Sunday in Advent. It's been decided by the Worship & Music and Christian Education committees that Christmas Eve will be celebrated at both the morning service and the evening service. Thus, the children's pageant will take place during worship on the 17<sup>th</sup>. All children are invited to participate and more details will follow very soon.

### **ADVENT/CHRISTMAS COOKIES!!!**

FYI, we will be looking for folks to help make homemade cookies for our Cookie Project that will take place on Thanksgiving Sunday, November 26<sup>th</sup>. We will need thousands of cookies to take to our sick, shut in, and college students that weekend. Can you help? For years confirmands assisted by their families and other women of the church have done this project but, at this time, we only have three confirmands. Can you help? Cookies must be at church by 9:30am on Sunday, November 26<sup>th</sup>. Please, no nuts or peanut butter due to allergies and digestion problems. The sturdier the cookie, the better, please.

Parents of college students, please ask your college student to come to church to get their cookies before heading back to college that morning. They should be ready by about 10:30 -11:00am that day. The congregation is invited to help with deliveries by taking cookie boxes to a family member or neighbor.

I recently brought towels down to the Gathering Place on Prospect St., where the homeless can take showers and do laundry. In speaking with the staff there, I was told they are desperate for men's clothing. They have more than enough of women's as she shared there are fewer homeless woman than men.

If anyone has men's clothing that is still in good condition, they would appreciate them. If you are unable to deliver them yourself, please let me know and I will take them down.

They also accept any toiletries and laundry detergent.

Thanks so much. Jeanette Richard
